Attorney Client Communication – Attorney Work Product – Privileged & Confidential – FOIA Exempt

Kevin and Justin,

I tried calling a few minutes ago to give a quick recap of where things stand with Pebble (PLP).

We understand that PLP may be meeting with EPA next week (Monday?) and that they may renew their request to withdraw the Proposed Determination.

We'll be interested to hear how the meeting goes. Our understanding is that, depending upon the outcome of the EPA meeting, Pebble is going to seek a meeting with the Associate Attorney General.

Best,

Jeff
